WHO WE ARE

关于我们

上海威佳工业技术有限公司聚焦工业安全领域，专注于塑料生产工艺的研发，先后引进数十条全球知名的注塑生产线，为汽车制造、食品加工、机械制造、石油化工、物流仓储、纺织印染、钢铁冶金、交通运输等行业的国内外客户提供专业的工业用塑料托盘、垃圾桶、防泄漏托盘、周转箱等注塑、滚塑、吸塑、吹塑类产品，目前公司拥有全电脑注塑机十台，注塑量从200克到50000克不等。

Shanghai Wellguard Industry Technology Co., Ltd. focuses on the research and development of plastic production technology, devoted to the field of industrial safety. It has successively introduced dozens of world-renowned injection molding production lines to provide domestic and foreign customers in automobile manufacturing, food processing, machinery manufacturing, petrochemical, logistics and warehousing, textile printing and dyeing, steel metallurgy, transportation and other industries with professional industrial plastic pallets, garbage can, leak-proof pallets, turnover crate and other injection molding, rotational molding, blister molding, blow molding products.

Plastic rack protector

Safe transport in warehouse · **easily protect**

Wellguard®

NO.1 **Full of resilience**

original PP material
Impact resistant and crack resistant

NO.2 **Easy to install**

Wide applicability
Can be installed without tools

NO.3 **Excellent quality**

Reinforcement rib design
High strength and impact resistance

Industrial safety

Plastic rack protector

Safe transport in warehouse · **easily protect**

The segmented plastic rack protector is made of modified PP material, which has high strength, good toughness, impact resistance and long service life. It can not only protect the shelf columns, but also protect personnel such as forklifts, stackers and other handling equipment.

model	size (L*W*H)	material	Suitable for width of rack leg	pcs/carton
WGH80-100Y	14*12.5*10	PP	8-10cm	40

Plastic Upright Protector

Safe transport in warehouse · **easily protect**

Rack column protector is specially designed to protect steel platform columns and building support columns. It is made of HDPE blow molding, with a hollow structure and double-layer protection. When the column is hit by equipment such as a forklift, the energy is buffered and absorbed by the sheath, which not only protects the column but also the handling equipment.

model	size (L*W*H)	material	Suitable for width of rack leg	pcs/carton
